For the man is not wise who will pay the same price without securing the same quality as STEIN-BLOCH guarantees. Nor is he wise to buy a suit that will sag at the knees, or shrink out of shape when for the same price he may be wearing a STEIN-BLOCH SMART SUIT that is guaranteed to keep its shape as long as a single thread of it is left.

The Wise Man buys STEIN-BLOCH SMART CLOTHES because he has the assurance of authoritative style, perfection in workmanship, fit and finish, and the best values procurable.

## BOYS COMMIT DARING ROBBERY

One of the most daring robberies ever committed in this city was engineered by two boys, 9 years old, late Saturday night, when the cigar and tobacco store of Hemenway & Moser, near Twenty-fourth street on Washington avenue, was broken into and robbed of \$51 in cash and about \$50 worth of Meerschaum pipes.

They claim that they had planned the robbery on Saturday night, but that they had abandoned the idea, intending to wait until Sunday morning. They assert that yesterday morning they entered the store by way of a door which they found open, and that they extracted \$50 or \$75 from the till and left the place.

At the station house one of the youngsters gave up \$4 and the other \$27.50, saying that that was all they had secured. They declare they had attempted the robbery in order to secure enough money to purchase two new bicycles.

The manager of the cigar store claim that their loss in cash was \$51 and in pipes about \$50. If the story told by the managers of the store is correct, then the problem of finding the missing pipes and the remainder of the money will occupy the time of the detectives.

The officers so far have devoted their time to settling the amount and the whereabouts of the money claimed to have been stolen, and will delve into the disappearance of the \$50 worth of pipes later.

In the meantime the young robbers are safe under lock and key.

Manager Sanderson of the cigar store stated this morning that he is certain of the amount of money stolen and says that the door could not have been left open by the employees of the place. It is his opinion that either one or both of the lads came into the place before closing time Saturday night and sneaked into the cellar, where they stayed during the night.

The breaking of the latch on the cellar door which leads to the room containing the cash register would seem to bear out the manager's theory, although the mothers of both boys assert that the lads were home during the night.

There is a possibility that after the boys had entered the store and taken from the cash register the \$67.50, other persons entered through the door, which they left unlocked, and stole the money and the goods which the cigar store manager claims are still missing.

The arrest of the boys was made by Detective Charles Pincock and Jailer H. Anderson on information furnished by Manager Sanderson. Sanderson suspected the lads because of information which he secured from a newsboy. Both the boys entered the cigar store from having entered the place to steal papers.

The case will be heard in the hands of Juvenile Judge V. C. Gunnell and the boys will probably be given a hearing tomorrow morning.

## AT THE THEATRES

**THE OGDEN THEATER.**

Richards & Pringle's famous minstrels held forth at the Ogdén theater last night to a well filled house.

These colored men produced more real entertainment and more amusement than any show of the same kind that has shown in Ogdén in many years.

There was plenty of music and several song hits. The costuming of the troupe was of the prosperous order, and the whole show was as satisfactory as one could wish.

The entertainment was in two parts. The first, "The Palace of Revelry," consisting of the regular minstrel formation, with several catchy, taking songs.

The second part was named "The Blackville Guards in the Philippines" and proved a very cleverly gotten up bit of entertainment.

The singing and all-round minstrel work of Clarence Powell (Hungry Hank) and Billy King (Billous Bill) was the feature of the show.

## RESOLUTIONS OF THE GOOD ROADS

Idaho Law on Uniformity of Construction of Roads is Favored—Howell Bill in Aid of Interstate Roads Endorsed—Helpful Legislation Urged—Convention Adjourns.

The first convention of the Good Roads association has passed into history, the big meet ending this morning with an automobile trip to Pleasant View, where the delegates watched the macadamizing of a section of the county road. The association will meet one year hence at Pocatello.

The convention is viewed by the delegates as a successful one and it is anticipated that much good will grow out of the various resolutions adopted, as well as from the increased store of enthusiasm which the delegates will carry home with them. There will henceforth be far greater co-operation in the promotion of the good road movement and a more concerted effort will be made to have the legislative bodies of the intermountain states take greater interest in the improvement of public highways.

The association will also endeavor to have highway commissions appointed by the state legislatures to work in conjunction with the commissioners in the improvement of public highways.

The automobile trip to Pleasant View and Ogden canyon was an enjoyable one and about 150 delegates participated. Many of the same automobiles which were used in the motor car parade also took part in this trip. The excursion was shortened because of the desire of many of the delegates to attend the Republican convention which convened this morning.

Exchange of Congratulations.

The following reply to a message of greetings was sent to J. T. Ronald, president of the Pacific Highway association of North America, at Seattle, Wash., this morning by E. R. Sherman, president of the Inter-Mountain association:

"On behalf of the Inter-Mountain Good Roads association I desire to thank you for your kind message of yesterday. Convention most enthusiastic and will be productive of good results. Will be glad to cooperate with you in every way possible. 'Good Roads for Good People' is our slogan."

Thanks Are Expressed.

The following resolutions were read and adopted during the session of Saturday evening:
